For Supplier-initiated requests, Supplier must submit an Adjustment Claim in writing in the form of a complete change proposal, fully supported by factual information, to Buyer's procurement representative no later than 15 days after Supplier's receipt of the Change. Notwithstanding any pending Adjustment Claims, Supplier shall diligently proceed with the performance of the Order, inclusive of the Change, as directed by Buyer.

In the event any defects in material and/or workmanship are discovered, SEAKR shall promptly notify the SELLER in writing of such defects. The repair or replacement shall be at the discretion of SEAKR. All packaging and transportation (prepaid) cost to return the defective product and provide repaired or replacement products to SEAKR shall be the responsibility of the SELLER.

35.2. If SELLER fails or is unable to repair, replace, or correct non-conforming Goods or Services, SEAKR may, at SEAKR's option, make such repair, replacement, or correction and charge SELLER for the cost incurred thereby. 36. Conflict Minerals

SELLER recognizes, consistent with the public policy underlying enactment of the Conflict Minerals provision (Section 1502) of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Act"), the significant legal and non-legal risks associated with sourcing tin, tantalum, tungsten, and gold (the "Conflict Minerals") from the Democratic Republic of the Congo and adjoining countries ("DRC Countries"). Accordingly, SELLER commits to comply with Section 1502 of the Act and its implementing regulations; to the extent SELLER is not a "Registrant" as defined in the Act, SELLER shall comply with Section 1502 of the Act and its implementation regulations except for the filing requirements. In particular, SELLER commits to have in place a supply chain policy and processes to undertake (i) a reasonable inquiry into the country of origin of Conflict Minerals incorporated into Goods it provides SEAKR; (ii) due diligence of its supply chain, following a nationally or internationally recognized due diligence framework, as necessary, to determine if Conflict Minerals sourced from the DRC Countries directly or indirectly support unlawful conflict there; and (iii) risk assessment and mitigation actions necessary to implement the country of origin inquiry and due diligence procedures. Upon written request, SELLER will promptly provide SEAKR with commercially reasonable information regarding the foregoing requirements in order to support SEAKR's obligations under the Act.

37. Security of SEAKR Information

The following provisions are applicable whenever the SELLER will Process SEAKR Information. The obligations contained in this Section are in addition to and do not alter SELLER's obligations under applicable U.S. Government Procurement Regulations.

37.1. In addition to capitalized terms used herein but defined elsewhere in these Terms and Conditions, an Agreement, and/or Order, the following term shall have the following meaning:

"Security Incident" means (i) any circumstance that involves, or which a Party reasonably believes may involve the actual or potential (a) accidental or unauthorized access, use, disclosure, modification, storage, destruction, or loss of SEAKR Information in SELLER's or SELLER Personnel's possession, custody, or control; or (b) interference with system operation in an information system or in any medium or format, including paper (hard) copy documents, that subjects SEAKR Information to risk of unauthorized access, use, disclosure, modification, storage, destruction, or loss; (ii) any other similar incident as may be so defined by any Data Privacy Law and by any laws and regulations (national, federal, state, and provincial) relating to the protection of SEAKR Information; or (iii) any breach of SELLER's representations or covenants in these Terms and Conditions, an Agreement and/or an Order regarding safeguarding of SEAKR Information.

As between the Parties, all SEAKR Information will at all times remain the sole property of SEAKR, and SELLER will not have or obtain any rights therein.

37.3. SELLER further agrees to:

- 37.3.1. Only allow authorized third parties to Process SEAKR Information in the performance of its obligations under an Agreement and/or Order or to comply with legal obligations. SELLER will not make any secondary or other use (e.g., for the purpose of data mining) of SEAKR Information except (i) as expressly authorized in writing by SEAKR in connection with SEAKR's purchase of Goods and/or Services hereunder, or (ii) as required by law.
- 37.3.2. Maintain and implement information security policies which address, at a minimum the domains or categories set forth in a generally accepted cybersecurity framework, such as ISO/IEC 27001 or NIST 800-53, and provide SEAKR, upon request, with a SOC 2 (or equivalent) report demonstrating that such domains are addressed in a manner consistent with this Section. Upon SEAKR's request, SELLER shall provide SEAKR with an updated index or summary of its policies.
- 37.3.3. Implement measures to restrict anyone other than its authorized employees and SEAKR and its agents from accessing the SEAKR Information, and use best efforts to segregate (physically or logically) all SEAKR Information into a separate database only accessible by SEAKR and its agents and those employees and agents of SELLER who require access in order to provide the Goods and/or Services or to maintain the equipment and the program on which it runs, unless otherwise agreed by SEAKR.
- 37.3.4. Unless otherwise specified by SEAKR in writing or in an Order (i) Process SEAKR Information (including, for clarity, for back-up purposes) only on servers located in the United States or other countries specified in the Order by SEAKR; and (ii) not transfer (and will not authorize SELLER Personnel to transfer) SEAKR Information to, or permit or enable Processing of SEAKR Information in, any country other than the United States or those specified in the Order by SEAKR.
- 37.3.5. (CP-4, CP-6 and CP-9). SELLER's disaster recovery plan shall incorporate such requirements. All such back-up services are part of the Goods and/or Services and are subject to these Terms and Conditions, including the privacy compliance and data security requirements.
- 37.3.6. Use, and will cause SELLER Personnel to use, industry standard encryption methods or other secure technologies in connection with the Processing of SEAKR Information, as authorized or permitted under the Agreement and/or Order. Notwithstanding any provision to the contrary herein, unencrypted SEAKR Personal Information shall not be stored on any SELLER mobile computing devices (e.g., laptop computers, mobile phones, personal digital assistants, and the like). SELLER will align to a generally accepted cybersecurity framework, such as CIS CSC (13 and 14); ISO/IEC 27001:2013 (A.8.2.3, A.13.1.1, A.13.2.1, A.13.2.3, A.14.1.2, and A.14.3); or NIST SP 800-53 Rev. 4 (SC-8, SC-11 and SC-12), covering Data-at-rest and Data-in-transit protections.
- 37.3.7. Provide SEAKR, prior to any termination or expiration of the Agreement and/or Order, with a termination plan that addresses how SEAKR Information will be returned to SEAKR, or destroyed as SEAKR may direct, at the end of the Agreement and/or Order and how all SEAKR Information will be removed from SELLER's equipment and facilities; provided however, that SELLER may retain information stored in routine back-ups maintained in the ordinary course until such back-ups are overwritten. This plan should include supplying the data to SEAKR in an industry recognized format.
- 37.3.8. Provide information to and reasonably cooperate with SEAKR in response to any subpoena or investigation seeking SEAKR Information in the possession of SELLER. SELLER shall promptly notify SEAKR upon the receipt of any request requiring that SEAKR Information be supplied to a third party.
- 37.3.9. Not provide SEAKR Information to any third party without the prior written approval of SEAKR. A request for SEAKR approval shall include agreement by SELLER and such third party that all of the requirements of this provision are applicable to their performance.
- 37.3.10. Provide prompt written notice to SEAKR of a Security Incident, but no later than 72 hours after its discovery, by sending an email to "SELLER.cyber.incident@SEAKR.com". Except as may be required by applicable law, SELLER agrees that it will not inform any third party (excluding law enforcement) of any Security Incident without first obtaining SEAKR's prior written consent.
- 37.3.11. (i) Use commercially reasonable efforts to investigate, contain, and remediate the Security Incident; (ii) cooperate with SEAKR in the investigation, containment, and remediation; and (iii) preserve all information and evidence related to the Security Incident (including, without limitation, by suspending routine overwriting or deletion of data or log files). SELLER shall provide SEAKR with a report of the investigation that summarizes in reasonable detail the impact on SEAKR, its agents, and employees affected by such Security Incident and the corrective action and remediation efforts taken or proposed to be taken by SELLER.

38.1. SELLER recognizes that SEAKR, SEAKR, and their respective Affiliates are subject to Section 889 of the National Defense Authorization Act for Fiscal Year 2019 (“Section 889”), which prohibits prime contractors to the U.S. government from using (regardless of end use) “covered telecommunications equipment or services”, as such term is defined in Section 889 (“Prohibited Telecom”).

38.2. SELLER represents that it shall not furnish to SEAKR any Goods or Services that use or contain Prohibited Telecom.

SELLER shall have management systems, tools and processes in place that (i) ensure compliance with applicable laws and regulations and the requirements set forth in the SELLER Code of Conduct; (ii) promote an awareness of and commitment to ethical business practices, including, without limitation, the expectations set forth in the SELLER Code of Conduct; (iii) facilitate the timely discovery, investigation (including cooperation with any SEAKR initiated investigation involving SELLER), disclosure (to SEAKR and others as appropriate), and implementation of corrective actions for violations of law, regulations, an Agreement, Order, or the expectations set forth in the SELLER Code of Conduct; and (iv) provide training to its employees on compliance requirements, including the expectations set forth in the SELLER Code of Conduct.

40. Force Majeure

40.1. SELLER shall be liable for any failure or delay in performance in connection with an Order, except where such failure or delay results from causes that are, at one and the same time, unforeseeable, unavoidable, outside of its control and without its fault or negligence, provided SELLER gives SEAKR, within 3 days of SELLER's learning of such cause, written notice to the effect that a failure or delay by SELLER will occur or has occurred (a “Force Majeure Event”). If a failure or delay in performance is caused by an event affecting any of SELLER's suppliers, such failure or delay shall not be excusable unless such event is a Force Majeure Event as defined above and the good or service to be provided by such SELLER is not obtainable by SELLER from other sources in time for timely delivery of the Goods to SEAKR. SEAKR may cancel any Order without liability to SELLER for its purchase of any Goods affected by SELLER's failure or delay in performance and, if the delay is expected to last for a period that could impact deliveries to SEAKR's Customers, SEAKR may cancel, without liability, any portion of or the entire Order.

46.3. SELLER and SELLER's personnel shall comply with all applicable local, state, and federal laws, orders, rules, regulations, and ordinances where the Order is performed. SELLER agrees to defend, hold harmless, and indemnify SEAKR from and against any noncompliance by SELLER with respect to laws, rules, regulations and orders as may be applicable.

46.4. SELLER shall ensure SELLER's personnel are aware of their contribution to product or service conformity, their contribution to product safety, and the importance of ethical behavior.

SELLER's notification shall state the estimated amount of additional funds required to continue performance through completion of the period of performance.

49. Travel

All travel shall be authorized in advance by SEAKR. If travel is authorized under the Order, SELLER's expenses may be reimbursable in accordance with the SEAKR travel policy then in effect at the time of the travel.

Part 3 – CERTIFICATIONS, REPRESENTATIONS, AND FAR FLOWDOWN PROVISIONS

This part contains certifications and representations that are material statements of fact by the SELLER upon which SEAKR will rely upon in making awards to the SELLER. By submitting its written offer, or providing oral offers/quotations at the request of SEAKR, or accepting any Order, the SELLER certifies the certifications and representations as set forth below in this clause. These certifications shall be applicable whenever these terms and conditions are represented in any Order, agreement or other contractual document, or any quotations, request for quotation (oral or written), request for proposal solicitation (oral or written) issued by SEAKR.
